4. mars 2018

Table of contents

A slide with bullet points

- Represent Abelian groups on the computer
- Compute on Abelian groups
- Solve equations, factor group homomorphisms

A slide with a theorem and a proof.

Theorem (Integral)

$$\int_a^b f(x)\,dx = F(b) - F(a)$$

Bevis.

Here's the proof. □

A slide with two columns

- Represent Abelian groups
- Compute on Abelian
- Solve equations

A slide with blocks
